# The Proof of Our Quality And Service is Our Products And Our Customer Feedback.

I am a very, very happy customer of BIG FROG. I have strictly used them because it is exactly what I need. I can ask for anything and if they are able, they will do it and the prices are fantastic as well! Not only is that a huge plus for me, but the quality of the work and the process of the picture printing is perfect. THESE are the people you want. You won't be sorry!

-Kathy O.

The t-shirts arrived earlier than expected and were a huge success. Thank you very much for the help and hard work you put into making every bit of this experience great!

- Adam A.

BIG FROG makes the perfect boat and fishing t-shirts. I bring in a sketch of my idea, they make it a full color reality. They are always the hit of the trip and I usually have to come back and print more.

- Jim N.

Thank you again for all of your help! So much appreciated! They look absolutely incredible!!! In the future you are always needed! Thank you again!

- Roshelle W.

Everyone at Big Frog is pleasant and easy to work with and they stand by their guarantees. When I found a shirt with a small hole in it, I called them and they shipped out a replacement t-shirt free of charge to my family reunion in Kansas.

- Marcia Y.

BIG FROG is my last minute gift store. Not only can I get a quality t-shirt in under 15 minutes, their designers always make them unique. I no longer stress about gifts, I just call Big Frog with my idea, and then go pick up my t-shirt. They rock!

- Jill L.

I own several companies that always need a few promotional shirts. Rather than spending hundreds on set up fees and screen charges, BIG FROG can knock them out faster, cheaper and better than the screen printer ever could.

- Art F.

As a professional photographer, I am always careful how and where my images get used or printed. When I saw how crisp, clear and true to color the printing on the BIG FROG t-shirts was, I was not only amazed, I was hooked! It's a great promotional tool.

- Lisa P.
